

INTERNATIONAL MOTORBIKE RACE ASSURED; SONORA IS FOR FEATURE FAIR EVENT

The international motorcycle road race between Hermosillo, Mexico, and Phoenix, to take place during fair week is an assured thing now. Some doubt has been expressed within the past few weeks as to the feasibility of holding the affair. Secretary Tom Staughnessy has been burning the wires the past few days in regard to the big event, and at last got the official sanction of the Sonora officials. The telegram which brought the glad tidings is as follows:

Secretary T. D. Staughnessy of the State Fair Commission, received the following telegram from Sr. Gilberto Valenzuela, general secretary of the government of the State of Sonora, Mexico:

"Hermosillo, Mexico, Sept. 18, 1916. 'Hermosillo, Mexico, Sept. 18, 1916. Hon. T. D. Staughnessy, Sec'y, Arizona State Fair Commission, Phoenix, Arizona.

"By accord of the Civil Governor it is an honor to communicate to you that this government of the state concedes the necessary permit for the celebration of the projected races from this capital to that. I salute you.

Gen. Sec'y. of the Government. GILBERTO VALENZUELA."

The plans are to hold this race on November 9 and 10, riders leaving Hermosillo on the morning of the ninth, checking in at Nogales on the evening and leaving Nogales on the tenth, finishing at Phoenix the same evening.

This assures the Arizona State Fair of the presence of all the motorcycle racers of both national and international fame who are racing in this country at the present time. The race finishing in Phoenix on the tenth will allow all of the contestants to have a complete rest and be prepared for the big motorcycle races to be held on the mile track at the fair grounds on Monday, November 13.

Sanctions have been received for both the International Road race and the One Hour National P. A. M. Championship to be held on the mile track the opening day of the fair, November 13.

The race is to be held on November 9 and 10, the riders leaving Hermosillo on the morning of the ninth and leaving Nogales on the morning of the tenth and arriving here the same day.

CALL OUT FOR GIRLS BASKETBALL AT HIGH

At a big assembly held at the high school Wednesday, Principal Cook announced a few changes in various courses, and when he told the students that the day's session would end at noon the announcement met with hearty approval.

This faculty must be congratulated on the way they handled the throngs of students.

Mr. Stuttfacher, a new member of the faculty, proved himself a valuable booster to the school. His speech impressed the students and now they are looking forward to him as a man with "pep."

Miss Hurley, head of the physical training department, sent out the first call to the Fair Ones to organize a basketball team.

The girls last year had an excellent team, and for that reason every girl in high school should come out and support Miss Hurley. The girls are to receive one-fourth credit for this activity.

WINSLOW HIGH GAME GOES INTO DISCARD

The foot ball game between Winslow and Phoenix high has been called off, as Winslow is financially embarrassed. The game would have been of great interest to the fans as they lost their only game to Prescott last year. If Winslow can make necessary financial arrangements, the Coyotes will take great delight in carrying their scalps into camp.

The foot ball schedule, this year, on home grounds:

Alhambra, October 7; Tempe, October 14; Flagstaff, October 21; Prescott, November 4; Santa Ana, November 11.

FAVORITES AGAIN WIN GRAND CIRCUIT CARD

[Republican A. P. Leased Wire] COLUMBUS, O., Sept. 20.—First choice swept a card of three events at this afternoon's Grand Circuit race. Peter Stevens was successful in a trial to beat 2:02 1-4, and Edward Geers, veteran driver, was injured when Sir Anthony Carter, his Hotel Hartman stake candidate, went into a pile that was caused when Rythm-fell. Mr. Geers is now in a hospital and may be kept there several days as he is badly bruised. Peter Look was the only favorite to win in straight heats, he being easily the best of five three-year-olds starting in the Horse Review's fatality race. Rose Magee, second choice, made a break in the second heat and was distanced.

Ben Earl from Omaha, won the Hotel Hartman pacing stake, the second heat being taken from him by Young Todd from which Walter Cox got a mile in 2:02 1-4, the fastest ever done by a four-year-old pacer. In the next heat Young Todd was not so good and was beaten for the place by Sir Anthony Carter, which Dick McMahon drove after the disabling of Geers in the first heat. It was on the far turn that Rythm-fell. Sir Anthony Carter was too close to avoid a collision. Geers was pitched high into the air. In falling he hit on his right shoulder. The problem, still further back, was driven wide just in time to keep T. W. Murphy from being thrown. Rythm-fell's driver was not hurt.

Esperanza did not do well in the first two heats of the 2:07 trot, they being split between Mirthful and Sister Strong. The California mare took the race by winning the next three heats.

HUBBEL GOLF WINNER
PITTSBURG, Sept. 20.—J. W. Hubbel, representing Harvard, won the individual intercollegiate golf championship on the links of the Oakmont Country Club at Oakmont this afternoon by defeating D. C. Corkran, of Princeton, one up.

10; Tucson, November 18; Indians, November 26.

Director of Athletic Harry Osborne, stated that Mesa is anxious to meet Phoenix high in basket ball. They have requested several dates in November and December. Mr. Osborne replied that he would accept dates.

Coach Geary took the new candidates out for a good work over at the high school athletic field and many of the boys were given suits. That's no reason why every husky in school should not turn out. As soon as the first team is picked, the second team will be necessary to work out with the "varsity."

SMELTER WINS SHORT BUT SLOW CONTEST

By BOB GIBSON. HAYDEN, Ariz., Sept. 20.—The Smelter won a show and uninteresting six inning game from the Millers today by a score of 4 to 3. The game was called in the sixth on account of darkness.

Hughes for the Smelter, and Pentress for mill, started the pitching but both had to be relieved. The game was made the more tiresome by the unsatisfactory work of Umpire Pringle and the continuous kicking of both clubs.

Sunday the Mill and Mines play at Ray. Score:

	R	H	E
Smelter	6	10	1
Mill	3	9	3

Batteries: Hughes, Munsell and Callan; Pentress, Johnson and Carlsch. SUMMARY—Earned runs, Smelter 1, Mill 2. Two-base hits, Flicke, McMurdo. Home run, Guest. Bases on balls, off Hughes 2, off Munsell 2, off Johnson 1. Left on bases, Smelter 3, Mill 4. Struck out, by Hughes 3, by Munsell 5, by Pentress 1, by Johnson 8. Time of game, 2 hours. Umpire Pringle.

REPUBLICAN CENTRAL COMMITTEE TO MEET

At the K. P. hall this afternoon, there will be an important meeting of the republican county central committee, with members of the new committee, elected in the primaries on September 12. The purpose of the meeting is to reconstitute the committee, so that it can be prepared to designate its representatives in the state central committee, which cannot meet until the latter part of the month.

The meeting this afternoon will start at 2 o'clock and will be called to order by Jack White, chairman of the old committee.

The committee will declare the new members in and the retiring ones out, and will then proceed to business, as the new committee. One of the chief items on the program will be the selection of a new chairman and secretary.

WOMEN VOTERS OF TEMPE ORGANIZED

(Special to The Republican)

TEMPE, Sept. 20.—The Arizona Women Voters' League was launched here this afternoon when Miss Hannah C. Egelston of Phoenix met about forty Tempe women at the home of Dr. R. J. Hight. The meeting resolved itself into a local chapter of the league, which is to be made statewide. Tempe is the first town outside the capital where this league has been organized.

There was a discussion of the problems of getting the women voters registered, which brought out many new ideas from local women, who have taken an active part in politics.

The next meeting of the league, at which the temporary organization will be made permanent, will be held at the office of E. A. Carr next Tuesday evening. A much larger membership is expected.

Town and precinct membership committee were appointed today, to secure memberships in readiness for the important meeting next week.

SAYS UNITED STATES LEADS THE WORLD

(Republican A. P. Leased Wire)

FARIS, Sept. 20.—Chas. Hoeschler, in an article in the Tempe today, criticizes America's financial position now in respect to foreign countries with what it was before the war. The article says:

"Then the United States was sending to Europe from \$200,000,000 to \$300,000,000 in interest on its borrowings; \$150,000,000 to \$200,000,000 spent by tourists; \$100,000,000 to \$150,000,000 to expatriates and \$200,000,000 to \$400,000,000 in ocean freights.

"Since the war the United States has imported \$730,000,000 in gold and has paid back a considerable amount of its previous borrowings, increased its foreign trades by \$2,350,000,000 yearly and lent to foreign countries \$1,450,000,000 so that the dollar now has replaced to a considerable extent the old sovereignty of the English pound abroad.

"Whether the United States will retain, with her deficient financial organization, the position recently won, will depend upon American financial and commercial policies. The arrival in France of an American commercial commission is an indication that Americans are realizing that they must follow the law in exchanges between countries, buying in general as much as they sell."

TO BRING ORDER OUT OF CHAOS

(Republican A. P. Leased Wire)

CHIHUAHUA CITY, Sept. 20.—Forces of government soldiers have been detailed to bring order out of the chaos created by Villa's Hidalgo day attack upon the state capital. Several hundred bodies, those of men and animals have been removed from the streets and buried outside the city. Buildings which suffered from gun fire and menaced the safety of pedestrians are being dynamited. Tramway tracks which had been torn up, are being repaired and scores of workmen are engaged in restoring the city's telegraph and telephone communication.

Eighty prisoners, taken in the engagement, have been executed. These include M. Chao, formerly Villa's chief of staff, and Mariano Tumes, who as a colonel in Juarez recently attempted unsuccessfully to induce the garrison to revolt.

Huge trees in the plaza were literally stripped of their limbs by the steady stream of lead poured through them. The bandits rode their horses inside of the palaces and tore from their hangings costly tapestries, paintings and mirrors. Furniture was broken into splinters and doors pulled from their hinges. Bodies of men and animals lay about on bloodsoaked carpets.

Although numerous rumors were

current here last week that the city was to be attacked, the report was not generally credited. After the engagement, however, it developed that throughout the night before, Villa's men had been concealed about the outskirts of the town, listening to the murmurings of the independence day celebration and awaiting the signal to attack.

TANG SHAO YI HAS REACHED TIEN TSIN

(Republican A. P. Leased Wire)

PEKING, Sept. 20.—Tang Shao Yi, the newly appointed Chinese minister to foreign countries before he enters Tsin, where Minister of Finance Chen Chin Tao is conferring with him. It is uncertain when Tang Shao Yi will arrive in Peking as he demands the right to appoint all Chinese ministers to foreign countries before he enters the foreign office.

Baron Gunkel, Hayashi, Japanese minister to China, and Chen Chin Tao have discussed the recent fight between Chinese and Japanese at Cheng Chiatung, but have been unable to agree on the facts of the case.

Parliament has interrogated Chen Chin Tao concerning a reported five million dollar loan agreement with Japanese bankers, the security being Yangtze valley mines. Chen Chin Tao admitted signing the agreement, but said it was merely an advance one a \$8,000,000 Japanese loan which is pending.

Numerous parliamentarians and many newspapers are charging the betrayal of China to Japan through the granting to Japan of special privileges.

HANLY ATTACKS HUGHES

(Republican A. P. Leased Wire)

STOCKTON, Sept. 20.—Silence of Charles E. Hughes on the liquor question was touched upon by J. Frank Hanly, the prohibition candidate for president, in an address here today.

"In your own California," he said, "Mr. Hughes declared his intention of protecting the women of this country because we cannot afford to trifle with the future of the race. Does he propose to protect them by permitting the liquor traffic to continue striking at the very foundation of our government—the sovereignty of the people?"

To the Stockholders of the U. S. Vanadium Development Co.

The most interesting bit of news of the day is the fact that active work upon our property has been started under the management of Mr. Don McRuer. As many miners as can possibly be worked to advantage will be employed. We expect to increase this force as work progresses and the property is opened.

The work to be done is outlined by experts. Ample funds are available to carry on the work anticipated. The present outlook points to the prediction that no more treasury stock will be sold until funds for the erection of a concentrating plant are needed.

There is a sharp demand for our stock. So the present policy of this company will be to secure all the stock which may be had.

Any stockholder wishing to sell at a reasonable price can list his stock at the office of the company, where it will be sold as the opportunity presents.

It is our firm belief that the stock of the U. S. Vanadium Development Company is too good an investment to dispose of unless a person is in dire need of money. Stockholders can secure information about the progress of operations at any time by calling at or writing to the office of the Company, No. 8 West Adams St.

Yours Very Respectfully,

U. S. Vanadium Development Co.

George Stoneman, Sec'y.

Dr. E. Payne Palmer, Vice. Pres.
J. J. Sullivan, Treasurer.
